

The Iowa Amputee Golf Association was formed in 1992 to promote the love of the game of golf as well as fellowship among amputees. This group of amputees are dedicated to the education and rehabilitation of amputees regardless of age, gender, and skill through the participation in the sport of golf. Experiences are shared, encouragement offered, and friendships developed demonstrating that an amputation does not limit ones activities, achievements, or quality of life.

The weekend begins with an 18-hole four person best shot on Friday afternoon followed by the tournament on Saturday and Sunday (18-holes each day). Saturday evening is the board meeting followed by the banquet where everyone gets to choose a door prize, final round pairings for Sunday are announced along with scholarship winners. The scholarship program was formed in 1999. Since that time, the Iowa Amputee Golf Association has awarded over 50 scholarships to young adults seeking post secondary education.

The Iowa Amputee Golf Association would not be able to host the annual tournament or award so many scholarships if it was not for great sponsors. Some sponsors are private donations, others come in the form of advertising.

Advertising Options Include:

Half Page Ad

A \$50 donation will purchase a half page ad in our program. The ad will include your company name and information and be handed out to all of the amputees at the start of the tournament.

Full Page Ad
